

– “Dining For A Cause” Event –

**Early Childhood Education Program
Hosted by Hanser House on October 19, 2017**

Hanser House, a family-owned restaurant located at 14360 Ocean Highway in the Litchfield area of Pawleys Island, has agreed to participate in “Dining for a Cause” for the sixth consecutive year. The “Dining for a Cause” program benefits Miss Ruby’s Kids’ early childhood education program for two & three year old children. The event will take place on Thursday, October 19, 2017.

The Hanser family has been in Georgetown County since the 1800’s, and the current proprietor has more than 55 years of restaurant experience. Nita Hanser (Granny) and her family built the restaurant opening in 1999. After graduating from Wofford College Heath Hanser joined the family business, and he states that their emphasis is on a “family dining atmosphere.” Hanser House takes pride in the home cooked taste of their food.

A wide variety of appetizers, soups, and salads are offered. Fried, grilled and broiled seafood entrees are served with the famous and delicious Hanser House hushpuppies. Specialty entrees include “Fresh from Murrells Inlet Catch of the Day,” lobster tails, or snow crab legs. Land Lovers have several choices of steaks, chicken, pork chops, barbecue ribs and hamburger steak. Signature items feature shrimp and grits, Jambalaya, and a 12 oz. ribeye topped with a homemade crab cake. All desserts are house made.

Hanser House is open for dinner only beginning at 4:00 p.m. The popular Early Bird Specials are available from 4:00 – 6 p.m. There is also a Senior Menu and one especially for Kids. Reservations are suggested and can be made by calling 843-235-3021. Private dining rooms are available for large groups.

Hanser House is one of several area restaurants that have generously agreed to donate a portion of their day’s proceeds to further the work of Miss Ruby’s Kids. This unique, early intervention literacy program for families in need is the only in home program in Georgetown county.

We begin working with two and three-year-old children and parents/caregivers, then continue to support the children, when they reach school age, through the volunteer education mentor program. We believe that the first five years are the best time to invest in our children's lives. Our goal is to inspire a passion for learning in two and three year old children and their parents/care givers. It is our hope, that all children in Georgetown County will enter school prepared to learn, supported by their families, and will graduate from high school as productive citizens.

Please join your neighbors and the many friends of Miss Ruby's Kids at Hanser House on October 19th to show support of the program and to acknowledge the participation of the Hanser family. For additional information about Miss Ruby's Kids call 843-436-7197, "like" its Facebook page or go to www.missrubyskids.net.
